

Hearing Loss Prevention (Noise)

Chapter 296-817 WAC

Index

A

- ANSI requirements
 - audiometric testing, **400-7**
 - equipment, dosimetry, **300-2**
- Audiograms
 - annual, **400-3**
 - baseline, **400-5**
 - evaluating, **400-3, 400-4**
 - informing employees, **400-3, 400-4**
 - providing, **400-2**
 - records, **400-6**
 - standard threshold shift, **400-4-5**
- Audiometers, **400-7**
- Audiometric test rooms, **400-8**
- Audiometric testing
 - equipment, **400-7**
 - no-cost, **400-2**
 - oversight, **200-9**
 - records, **400-6**
- Audits, hearing protection
 - quarterly, **500-3**
 - records, **200-12, 500-5**
 - third-party, **500-2, 500-6, 400-2**
 - training staff, **500-4**

B

- Baseline audiograms, **400-2, 400-5**
- definitions, **600-1**

C

- Calibrations, **400-7**
- Certification, **500-4**
- Controls, feasible, **200-5**

D

- Daily noise exposure
 - estimates, **300-5**
 - measurements, **300-3-4**
- Dosimeters, noise, **300-2-4**
 - definition, **600-2**

E

- Equipment, **200-3-4**
- Evaluation, Noise Criteria, **100-2**, Table 1

H

- Hearing loss prevention program
 - auditing, **200-10-11**
 - evaluating, **500-2**
 - deficiencies, correcting, **200-10-11, 500-7**
 - monitoring noise exposure, **200-3-4, 300-2-3**
 - records, **200-12**
 - temporary employees, **500-2**
 - third-party, **500-2, 500-6-7**
 - warning signs, **200-9**
- Hearing protection
 - assessing, **500-5**
 - audits, **200-12, 500-3**
 - helpful tool, **R-7**
 - providing, **200-7**
 - selecting, **200-6**
 - training staff, **200-8**
 - using, **200-6**
- Hearing protectors, effectiveness, **200-7**, Table 2
- Hearing threshold examinations, **400-7-8**

M

- Monitoring noise exposure, **200-3-4**

N

- Noise dose computation, **200-6-8, 300-5**, Table 3
 - definition, **600-2**
 - examples, helpful tool, **R-9**
- Noise evaluation criteria, **100-2**, Table 1
- Noise exposure
 - controlling, **200-5**
 - documenting, **200-12**
 - eliminating, helpful tool, **R-3**
 - estimating, **300-5**
 - exceeding 85 dBA, **200-3-4**
 - measuring, **300-3-4**
 - monitoring, **200-3-4, 300-2-3**
 - nonoccupational, **400-2-3**
 - training staff, **200-8-9**

- Noise monitoring equipment, **200-3-4, 300-2-3**

- Noise reduction, **200-5**

P

- Program, written, **200-8-9**

Index

Hearing Loss Prevention (Noise)

Chapter 296-817 WAC

Index

R

Recordkeeping, **200-12, 400-6, 500-5**

S

Selection, hearing protection, **200-6-8**

Signs, warning, **200-9**

Sound level measurements, **300-5**

Sound level meter, **300-2-4**

Standard threshold shift, **200-10-11, 400-3-5**

Scope, **100-1-2**

T

Temporary employees, **500-2**

Temporary threshold shift, **400-3-4, 600-3**

Test frequencies, **400-7**

Testing, audiometric, **200-9, 200-12, 400-7-8**

Third-party hearing loss programs, **500-2**

500-6-7

Training programs, **200-8-11, 500-4**

VV

Warning signs, posting, **200-9**
